**CATÁLOGO  
DE PIEZAS**

Empresa especializada en FABRICAR ACCESORIOS para barandas de aluminio, disponiendo de una amplia gama de soluciones, que desde hace años son comercializados por empresas similares a la de ustedes.

A lo largo de nuestro proceso productivo en los centros de mecanizado, planta de fundición, de lacado, etc., incorporamos maquinaria de última generación capaz de satisfacer las necesidades de nuestros clientes.

El departamento de desarrollo es el encargado de la creación y diseño del producto hasta su completa fabricación. En todo este proceso, con la incorporación constante de última tecnología y de los controles de calidad, permiten que desarrollemos productos perfectamente adaptados a las exigencias del mercado, teniendo como consecuencia la reducción de los costes y el aumento de la producción.

Nuestras piezas están homologadas en APPLUS y CIDEMCO, de acuerdo con las normas UNE 85-23791 UNE 85-23891 UNE 85-24090 y certificados de calidad en QUALICOAT A-31.
